Please state any health problems. E.g. Asthma, Heart problems or any contagious disease:

For this course you will require an approved Life Jacket or Buoyancy Aid which will be inspected for fit and condition  
You must be aware that in common with most inland waters Blue Green Algae forms at times in Englefield Lake. After immersion it is essential that you take a shower and pay special attention to the initial briefing on the subject. It must be understood that while all reasonable care and attention will be paid to safety by the staff, that sailing is a Risk Sport and accidents can occur. The Island Sailing Club (Reading) can not be held responsible for accidents. All sailing will be supervised and carried out as per the syllabus. Safety Boat facilities and First Aid trained personnel will be available at all times. The Island Sailing Club (Reading) can not be responsible for personal items brought to or left at the club premises.

I have read the above paragraph and understand the implications and agree to the conditions.
